-
- "You can taste the difference"! Our Steak Burgers are made the old fashioned way, as you remember them years ago . . . ground fresh daily from all of the best cuts of the steer to insure "quality meat."
 - Buy our Bar-B-Q Pork in bulk and take it home for the family. What a treat for everyone to enjoy! Just \$3.75 lb., fully cooked.
 - Our Roast Beef is truly something "special." We use only the Primal Cut, the inside round. M-m-m-m.
